

PAYNE HICKS BEACH *Solicitors*

Theresa

I am delighted with the purchase of the Kromo 61 model commercial dishwasher from Dishwashers Direct.

The helpfulness and professionalism shown by the company made our decision easy to make to purchase the right machine for us.

The order process, delivery and installation went extremely smoothly.

Our staff are thrilled with the dishwasher and it has certainly made their life easier in the kitchen.

I have no hesitation recommending your company to anyone.

Regards Stuart
