Dear Sir/Madam,

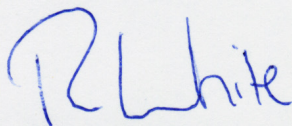

**RE: INSTALLATION OF UNIVER BET40 GLASSWASHER 03/10/06**

Being unaccustomed to writing letters of this nature under normal circumstances, I would like to take this opportunity on behalf of Leighton Buzzard Theatre and Beds County Council to highly commend you on the speed, efficiency and excellent customer service provided by your company.

Please pass on my particular thanks to your telephone clerk, Theresa, and your engineer, Rod, for their helpful and friendly advice and expertise.

I look forward to being a continuing customer with Dishwashers Direct and will be recommending your company in future to other business contacts.

Yours Faithfully,

Richard White,  
*Evening Supervisor*
